

21.04.2020: Corona update - Important information

IDC Days 2020 in Croatia cancelled

Dear Doberman Friends,

At present, due to the Corona pandemic, new information arrives almost daily, which we have to inform you about.

The Government and the Civil Protection Croatia has announced that no events can be held until the end of 2020. There is a strict ban on travel and tourism.

Our Croatian Doberman friends, who wanted to present these IDC days with us for the first time and with much enthusiasm under the leadership of their president, Mr. Miroslav Bedekovic, now ask to keep the application and to postpone the organisation for probably one year, to 2021.

We would like to comply with this request, if only to pay tribute to our respect and recognition for the months of work that have gone into the organisation so far, which unfortunately has not been successful.

Consequently, all further applications for 2021 and 2022 that have already been submitted will also be postponed by one year.

An international reunion of all Doberman friends with their wonderful Doberman dogs will not be possible in 2020.

All the more we are looking forward to the next possible opportunity to see us all in good health and smiling again.

Stay healthy all of you!

With best wishes,

1st President of the IDC
Hans Wiblishauser
